REGULATION 34 – ADVANCED DIPLOMA IN THEOLOGY

This Regulation was approved by MCD Council on 18 May 2011.

34.1 Admission and Enrolment

- 34.1.1 A person may apply to the Academic Board [the Board] to enrol as a candidate for the Advanced Diploma in Theology if he or she is qualified to be admitted to a University or other tertiary institution in Australia approved from time to time by the Board.
- 34.1.2 Persons who are not qualified to enrol as candidates in accordance with Clause 34.1.1 above, but will have attained the age of twenty-one years prior to the commencement of the semester in which they would be first enrolled, may seek the permission of the Board to enrol as provisional candidates for the Advanced Diploma in Theology. Such candidates will be required to complete a provisional period of study for the degree, and having successfully completed 120 credit points, without having failed in units worth more than 30 credit points, will then be permitted to proceed as an ordinary candidate for the degree. Candidates who fail more than 30 credit points of units during their provisional candidature will have their candidature terminated.
- 34.1.3 Every candidate for the Advanced Diploma in Theology must be enrolled during the period of candidature at a Recognised Teaching Institution [RTI], and must comply with the requirements of that institution and such other requirements relating to the admission and enrolment of students as the Regulations prescribe. Notwithstanding where they are formally enrolled, candidates may study units offered at other RTIs.
- 34.1.4 If a candidate seeks to undertake units in the Advanced Diploma in Theology using flexible delivery arrangements, the Board may only give permission for an enrolment on this basis if it is satisfied that the requirements of the degree can be completed through these arrangements, and that the candidate will have appropriate learning opportunities: access to appropriate learning resources, peer interaction and faculty supervision.
- 34.1.5 Notwithstanding any other provision in this Regulation, the Board may require an applicant to demonstrate fitness for admission by carrying out such work and sitting for such examinations as the Board may determine.
- 34.1.6 The Advanced Diploma in Theology must be completed in not less than four and not more than twelve semesters, unless the Board determines otherwise.
- 34.1.7 The Board may discontinue the candidature of any person whom it deems to have made unsatisfactory progress.

34.2 Course Structures

- 34.2.1 The basic structure of the course of study leading to the Advanced Diploma in Theology consists of a series of single semester length units, grouped by discipline and level as determined by the Board.
- 34.2.2 The successful completion of a standard unit that has been approved by the Board as to content, teaching methods, learning outcomes, assessment and bibliography counts as 15 credit points towards the degree.
- 34.2.3 The disciplines available must be grouped by the Board within four Fields of study, namely: Field A, Humanities; Field B, Biblical Studies; Field C, Christian Thought and History; Field D, Theology: Mission and Ministry.
- 34.2.4 The Board must determine the number and type of unit sequences required to complete the requirements of a course of study.

34.3 Course of study

- 34.3.1 Every course of study for the Advanced Diploma in Theology will consist of 240 credit points and include sequences approved by the Board. The Board may approve certain streams of specialisation within the Advanced Diploma in Theology.
- 34.3.2 Determinations of the Board made pursuant to this regulation must be communicated appropriately by the Registrar.
- 34.3.3 Unless the Board determines otherwise, no candidate for the degree may enrol in more than 60 points in any one semester.

34.4 Credit and transfer credit for the Advanced Diploma in Theology

- 34.4.1 The Board may grant up to 165 credit points in the appropriate Fields for studies of equivalent content and standard passed towards an incomplete degree in theology or ministry.
- 34.4.2 The Board may grant other credit points in accordance with the Schedule of Credits determined by the Board.
- 34.4.3 The total value of points granted as credit shall not exceed 165.

34.5 Award of degree

- 34.5.1 When a candidate has satisfied the examiners and completed the requirements for the Advanced Diploma in Theology, the Board may recommend that the award be made to the candidate. A candidate to whom such an award has been made is entitled to use the letters 'AdvDipTheol' as a suffix to his/her name.

Units that have been approved by the Board within each discipline and at each level are to be found in the Handbooks and websites of Recognised Teaching Institutions of the College. Sequences of units approved by the Board per clause 34.4 of the regulation are also to be found there.

34.3 Course of Study – Advanced Diploma in Theology

34.3.1 Every course of study for the Advanced Diploma in Theology is to consist of 240 points of study, and must include at least 15 points in each of Old Testament, New Testament, Church History and Systematic Theology, and 30 additional points from Field B and/or Field C.

34.3.2 In addition to 34.3.1, the Advanced Diploma in Theology (specialised stream) will consist of 120 points of study in the discipline chosen for specialisation.

The specialisations currently approved are:

Counselling
Chaplaincy
Education
Pastoral Ministry
Philosophy
Social Justice
Youth Ministry.

34.4 Schedule of Credits

34.4.1 A candidate with incomplete theological degree studies may be granted up to 165 credit points, provided the units are equivalent to MCD Diploma in Ministry or Diploma in Theology units.

34.4.2 The Board may grant other credit points in accordance with the Schedule of Credits determined by the Board.

34.4.2.1 The Board may recognise prior learning by a candidate which has been assessed at Diploma level with the proviso that such credit may be given for not more than 165 points.

34.4.2.2 Credit will not normally be granted for theological studies completed more than ten years prior to the application for entry to the Advanced Diploma in Theology. The Board may grant an exception if professional or life experience in the intervening period has reinforced those studies, and if those studies directly relate to the Advanced Diploma in Theology.

34.4.2.3 If an application for credit is not successful, exemption may be granted at the discretion of the Board, such that a candidate is not required to repeat the content of prior learning but must complete other units instead. The requirement remains, however, to complete the total number of points: thus an exemption from Old Testament Introduction would still require the completion of 15 credit points in Old Testament.

34.4.2.4 The Advanced Diploma in Theology may be undertaken as a course of study subsequent to or combined with the degrees of Bachelor of Theology or Master of Divinity or their equivalents. In such cases, notwithstanding Determination 34.4.1, the number of points common to both awards shall be no more than 120.

34.5 Award of degree

When a candidate has satisfied the examiners and completed the requirements for one of the specialised streams of the Advanced Diploma in Theology, the Board may recommend that the award be made to the candidate. A candidate to whom such an award has been made is entitled to use the appropriate abbreviation from the list below as a suffix to their name:

Chaplaincy (AdvDipChap);
Education (AdvDipEd);
Pastoral Ministry (AdvDipPastMin);
