

VINCENT PALLOTTI SCHOLARSHIP TRUST

Information for Vincent Pallotti scholarship/study grant applicants.

The Union of Catholic Apostolate (UAC) was founded by St. Vincent Pallotti in Rome in 1835. It endeavors to spread the concept of a Church in which all people are actively involved.

The UAC offers scholarships/study grants to enable lay people to further their understanding and skills in leadership/ministry or a specialised activity which is consistent with UAC aims and objectives.

Applicants should demonstrate enthusiasm and ability in a particular area of endeavour e.g. youth ministry, pastoral care, community service, Aboriginal health and education.

Funds are allocated annually at the discretion of the scholarship committee. From a pool of approximately \$5000, one grant or several smaller ones are provided towards the costs involved in the successful applicant's ministry/project.
