The Christian Response to Anger and Violence in our Society

Tuesday 14 September 7.00 – 9.00 pm

Hear about three examples of a Christian response to anger and violence in our local community and how they work in a variety of different situations:

- Sacred Heart Mission where providing personal support, accommodation, food and advocacy is among the many services offered
- Men and Women in Prison and how the Catholic ministry works in such a complicated environment
- Life on the Streets for Young Women – how to minister to them

After hearing from a panel of three speakers from these ministries we will have a general discussion on how this links with the call of the Gospel to minister in challenging environments.

This program is recognized by the Catholic Education Office Melbourne to obtain Accreditation to Teach in a Catholic School.
