

International Conference on
Human Rights Education

Educating for Human Rights, Peace and Interculture Dialogue

4th - 6th November 2010

An Invitation

If you are human rights education expert, practitioner or simply wish to learn more and establish networks, join us at the International Human Rights Education Conference “Educating for Human Rights, Peace and Intercultural Dialogue”.

The conference has been organised in response to the UN World Programme for Human Rights Education to advance the human rights education, in particular in Australia and Asia Pacific region.

World class speakers and the conference program will focus on the contribution of human rights culture to the good functioning of the civil society; highlight key trends and achievements in human rights education and in particular, aim to secure greater commitment for future human rights education. It will have a strong development and Indigenous component.

See you in November in Sydney.

Dr Sev Ozdowski OAM
 Conference Convenor
 University of Western Sydney
